**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do rely on these services, and that I oppose this petition. I am retired and rely on the internet to keep me connected with my family, friends and doctors. A price hike would mean I could no longer afford what I consider to be a life-saving service at a reasonable cost. Small businesses are needed to keep competitive prices alive and well.
